So This Is Christmas (John Lennon)

So this is Christmas.
And what have you done ?
Another year over
and a new one just begun.
And so this is Christmas.
I hope you have fun,
the near and the dear ones,
the old and the young.
A very merry Christmas
and a happy new year.
Let's hope it's a good one
without any fear.

And so this is Christmas
for weak and for strong,
for rich and the poor ones.
The road is so long.
And so happy Christmas
for black and for white,
for yellow and red ones.
Let's stop all the fight.
A very merry Christmas
and a happy new year.
Let's hope it's a good one
without any fear.

So this is Christmas.
And what have we done ?
Another year over
and a new one just begun.
And so happy Christmas.
We hope you have fun,
the near and the dear ones,
the old and the young.
A very merry Christmas
and a happy new year.
Let's hope it's a good one
without any fear.
War is over if you want it.

Santa Baby

(written by: Kylie Minogue)

Santa baby, slip a sable under the tree, For me.

I've been an awful good girl,
Santa baby, and hurry down the chimney tonight.

Sant baby, a 54 convertible too, Light blue.

I'll wait up for you dear,
Santa baby, and hurry down the chimney tonight.

Think of all the fun I've missed,
Think of all the fellas that I haven't kissed,
Next year I could be just as good,
If you'd check out my Christmas list,
Boo doo bee doo. [background]

Santa baby, I want a yacht,
And really that's not a lot,
I've been an angel all year,
Santa baby, so hurry down the chimney tonight.

Sant honey, so one thing that I really need, The deed.
To a plex of my hand,
Santa baby, so hurry down the chimney tonight.

Santa cutie, fill my stocking with a duplex, And checks.
Slgn your 'X' on the line,
Santa cutie, and hurry down the chimney tonight.

Come and trim my Christmas tree,
With some decorations bout at Tiffany's,
I really do believe in you,
Let's see if you believe in me,
Boo doo bee doo. [background]

Santa baby, forgot to mention one little thing, A ring.
I don't mean on the phone,
Santa baby, so hurry down the chimney tonight,
Hurry down the chimney tonight,
Hurry, tonight.

Celine Dion - Blue Christmas

From the album "These Are Special Times"

I'll have a blue Christmas without you
I'll be so blue thinking about you
Decorations of red on a green Christmas tree
Won't be the same if you're not here with me
And when those blue snowflakes start fallin'
And when those blue melodies start callin'
You'll be doin' all right with your Christmas of white
But I'll have a blue blue blue Christmas
Decorations of red on a green Christmas tree
Won't mean a thing, if you're not here with me
I'll have a blue Christmas that's certain
And when that blue heartache starts hurtin'
You'll be doin' all right, with your Christmas of white,
But I'll have a blue, blue Christmas

Rockin' Around The Christmas Tree

B. Lee

Rocking around the Christmas tree
at the Christmas party hop
Mistletoe hung where you can see
every couple tries to stop
Rocking around the Christmas tree
let the Christmas spirit ring
Later we'll have some pumpkin pie
and we'll do some caroling.
You will get a sentimental
feeling when you hear
Voices singing let's be jolly
deck the halls with boughs of holly
Rocking around the Christmas tree,
have a happy holiday
Everyone dancing merrily
in the new old-fashioned way.
You will get a sentimental
feeling when you hear
Voices singing let's be jolly,
deck the halls with boughs of holly
Rocking around the Christmas tree,
have a happy holiday
Everyone dancing merrily
in the new old-fashioned way.
Merry Christmas!

Jingle Bells

Jingle Bells
Jingle Bells
Jingle all the way
Oh what fun it is to ride
In a one horse open sleigh

Jingle Bells
Jingle Bells
Jingle all the way
Oh what fun it is to ride
In a one horse open sleigh

Dashing through the snow
In a one horse open sleigh
Over the fields we go
Laughing all the way
Bells on top tails ring
Making spirits bright
What fun it is to
Ride a sleighing song tonight

Jingle Bells
Ji, Jingle Bells
Jingle all the way
Oh what fun it is to ride
In a one horse open sleigh
Ba la la bop

Jingle Bells
Ji, Jingle Bells
Jingle all the way
Oh what fun it is to ride
In a one horse open sleigh

Dashing through the snow
In a one horse open sleigh
Over the fields we go
Laughing all the way
Bells on top tails ring
Making spirits bright
What fun it is to
Ride a sleighing song tonight

Jingle Bells
Jingle Bells

Oh what fun it is to ride
In a one horse open sleigh

Jingle Bells

I don't know what to do with myself

The White Stripes

I just don't know what to do with myself

I don't know what to do with myself

Planning everything for two

Doing everything with you

And now that were through

I just don't know what to do

I just don't know what to do with myself

I don't know what to do with myself

Movies only make me sad

Parties make me feel as bad

Cause I'm not with you

I just don't know what to do

Like a summer rose

Needs the sun and rain

I need your sweet love

To beat love away

Well I don't know what to do with myself

Just don't know what to do with myself

Planning everything for two...

... I just don't know what to do

Like a summer rose...

... To beat love away

I just don't know what to do with myself

Just don't know what to do with myself x2

I don't know what to do with myself

Friday Night

The Darkness

Hey you !

Do you remember me

I used to sit next you at school

We indulged in the extra-curricular activities

We weren't particularly cool

Monday cycling

Tuesday gymnastics

Dancing on a friday night

I got bridge Club on Wednesday

Archery on Thursday

Dancing on a Friday night

Hey you !

Could you ever fall to me

The way I fell for you

And do you dwell upon the thoughts that I

occupy

Or do you give yourself things to do

Monday rowing

Tuesday badminton

Dancing on a Friday night

I got ping pong on Wednesday

Needlework on Thursday

Dancing on a Friday night

With you, with you

Monday, Tuesday
Wednesday, Thursday
Dancing on a Friday night
Let the music smother me
Whole weekend recovery
Dancing on a Friday night

See the lady I adore
Dancing on the dancing floor
Dancing on a Friday night
God the way she moves moves me
To write bad poetry
Dancing on a Friday night
With you.

So where is the passion when you need it the most
Oh you and I
You kick up the leaves and the magic is lost
Cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You've seen what you like
And how does it feel for one more time
You had a bad day
You had a bad day

(Yeah...)

Sometimes the system goes on the blink
And the whole thing turns out wrong
You might not make it back and you know
That you could be well on that strong
And I'm not wrong

(Oh... Holiday...)

You had a bad day
You're coming back down and you really don't mind
The camera don't lie
You had a bad day
You work at a smile and you go for a ride
You tell me don't lie
You say you don't know
You sing a sad song just to turn it around
You're taking one down
You had a bad day

Well you need a blue sky holiday
The point is they laugh at what you say
And I don't need no carryin' on

Cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
The camera don't lie
You're coming back down and you really don't mind
You had a bad day
You had a bad day

You stand in the line just to hit a new low
You're taking a smile with the coffee to go
You tell me your life's been way off line
You're falling to pieces everytime
And I don't need no carryin' on

Where is the moment we need at the most
They tell me your blue skies fade to grey
They tell me your passion's gone away
And I don't need no carryin' on

Elton John

Blue Eyes

Blue eyes
Baby's got blue eyes
Like a deep blue sea
On a blue blue day
Blue eyes
Baby's got blue eyes
When the morning comes
I'll be far away
And I say
Blue eyes
Holding back the tears
Holding back the pain
Baby's got blue eyes
And she's alone again
Blue eyes
Baby's got blue eyes
Like a clear blue sky
Watching over me
Blue eyes
I love blue eyes
When I'm by her side
Where I long to be
I will see
Blue eyes laughing in the sun
Laughing in the rain
Baby's got blue eyes
And I am home, and I am home again

Everybody

Everybody owns a gun, everybody rolls,
Everybody skip, everybody choose,
Everybody sticks and everybody loose,
Everybody's famous, everybody waits,
Everybody's gorgeous and everybody fakes,
Everybody's screaming, everybody's blind,
Everybody could be dying, anybody fine.
Is this a mirror of myself,
Am I somebody else,
I don't wanna be...everybody!
Everybody..
Everybody run, everybody knows,
Everybody owns a gun, everybody rolls,
Everybody skips, everybody choose,
Everybody sticks and everybody loose,
Everybody's jealous, everybody objects,
Everybody's anxious, everybody forgets,
Everybody's asking for everybody's aid,
Everybody's bonking unless everybody's paid
Is this a mirror of myself,
Am I somebody else,
I don't wanna be...everybody!
Is this a mirror of myself,
Am I somebody else,
I don't wanna be...everybody!

The Eagles , Hotel California

On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

There she stood in the doorway;
I heard the mission bell
And I was thinking to myself,
'This could be Heaven or this could be Hell'
Then she lit up a candle and she showed me the way
There were voices down the corridor,
I thought I heard them say...

Welcome to the Hotel California

Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year, you can find it here

Her mind is Tiffany-twisted, she got the Mercedes
bends

She got a lot of pretty, pretty boys, that she calls friends
How they dance in the courtyard, sweet summer sweat.
Some dance to remember, some dance to forget

So I called up the Captain,
'Please bring me my wine'
He said, 'We haven't had that spirit here since nineteen
sixty nine'
And still those voices are calling from far away,
Wake you up in the middle of the night
Just to hear them say...

Welcome to the Hotel California

Such a lovely place
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise, bring your alibis

Mirrors on the ceiling,
The pink champagne on ice
And she said 'We are all just prisoners
here, of our own device'
And in the master's chambers,
They gathered for the feast
The stab it with their steely knives,
But they just can't kill the beast

Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
'Relax,' said the night man,
We are programmed to receive.
You can checkout any time you like,
but you can never leave

Lead vocal: Paul

Desmond has a barrow in the market place  
Molly is the singer in a band  
Desmond says to Molly-girl I like your face  
And Molly says this as she takes him by  
the hand

Obladi oblada life goes on bra  
Lala how the life goes on  
Obladi Oblada life goes on bra  
Lala how the life goes on

Desmond takes a trolley to the jewellers  
stores

Buys a twenty carat golden ring  
Takes it back to Molly waiting at the door  
And as he gives it to her she begins to sing

In a couple of years they have built  
A home sweet home  
With a couple of kids running in the yard  
Of Desmond and Molly Jones

Happy ever after in the market place  
Molly lets the children lend a hand  
Desmond stays at home and does his  
pretty face  
And in the evening she's a singer with the  
band

AMERICA

**A Horse With No Name**

Yesterday  
Lennon/McCartney

Lead vocal: Paul

Yesterday, all my troubles seemed so far  
away

Now it looks as though they're here to stay  
Oh, I believe in yesterday.

Suddenly, I'm not half the man I used to be,  
There's a shadow hanging over me.  
Oh, yesterday came suddenly.

Why she had to go I don't know she wouldn't  
say.

I said something wrong, now I long for  
yesterday.

Yesterday, love was such an easy game to  
play.

Now I need a place to hide away.  
Oh, I believe in yesterday.

Why she had to go I don't know she wouldn't  
say.

I said something wrong, now I long for  
yesterday.

Yesterday, love was such an easy game to  
play.

Now I need a place to hide away.  
Oh, I believe in yesterday.  
Mm mm mm mm mm mm mm.

On the first part of the journey  
I was looking at all the life  
There were plants and birds and rocks and things  
There was sand and hills and rings  
The first thing I met was a fly with a buzz  
And the sky with no clouds  
The heat was hot and the ground was dry  
But the air was full of sound

I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain  
La, la ...

After two days in the desert sun  
My skin began to turn red  
After three days in the desert fun  
I was looking at a river bed  
And the story it told of a river that flowed  
Made me sad to think it was dead

You see I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain  
La, la ...

After nine days I let the horse run free  
'Cause the desert had turned to sea  
There were plants and birds and rocks and things  
there was sand and hills and rings  
The ocean is a desert with it's life underground  
And a perfect disguise above  
Under the cities lies a heart made of ground  
But the humans will give no love

You see I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
'Cause there ain't no one for to give you no pain  
La, la ...

# Colours

*Donovan Leitch*

Yellow is the colour of my true love's hair  
In the morning, when we rise.  
In the morning, when we rise,  
That's the time, that's the time.  
I love the best.

Green is the colour of the sparkling corn  
In the morning, when we rise.  
In the morning, when we rise,  
That's the time, that's the time.  
I love the best.

Blue is the colour of the sky  
In the morning, when we rise.  
In the morning, when we rise,  
That's the time, that's the time.  
I love the best.

Mellow is the feeling that I get  
When I see her , hum, hum  
When I see her , hum, hum  
That's the time, that's the time.  
I love the best.

Freedom is a word I rarely use  
Without thinking, hum, hum  
Without thinking, hum, hum  
Of the time, of the time  
Where I belong

MIKA Relax

Took a right to the end of the line  
Where no one ever goes  
Ended up on a broken train with nobody I know  
But the pain and the (longings) the same  
(Where the dying  
Now I'm lost and I'm screaming for help)

Relax, take it easy  
For there is nothing that we can do  
Relax, take it easy  
Blame it on me or blame it on you

It's as if I'm scared  
It's as if I'm terrified  
It's as if I'm scared  
It's as if I'm playing with fire  
Scared.  
It's as if I'm terrified  
Are you scared ?  
Are we playing with fire ?

Relax  
There is an answer to the darkest times  
It's clear we don't understand but the last thing on my mind  
is to leave you  
I believe that we're in this together  
Don't scream – there are so many roads left

Relax, take it easy  
For there is nothing that we can do  
Relax, take it easy  
Blame it on me or blame it on you

It's as if I'm scared  
It's as if I'm terrified  
It's as if I'm scared  
It's as if I'm playing with fire  
Scared  
It's as if I'm terrified  
Are you scared ?  
Are we playing with fire ?

Relax  
Relax.

left you with nothing,

oh, oh, oh,

you're changing your heart.  
oh, oh, oh,  
you know who you are.  
sweetheart, bitter heart,  
now I can't tell you apart.  
cozy and cold,  
put the horse before the cart.  
those teenage hopes,  
who have tears in their eyes.

too scared to run off,  
to one little life.

oh, oh, oh,  
you're changing your heart.

## Kira Willey - Colors

### Colors By [Kira Willey](#)

I am green today  
I chirp with joy like a cricket song.  
I am gray today  
Gloomy and down like a morning fog.  
I am orange today  
Loud and messy like finger paint on the wall.  
I am red today  
Hopping mad like a playground ball.  
I am black today  
Strong and tall a great big bear.  
I am purple today  
Bright and happy like a butterfly in the air.

I'm a rainbow today  
All the colors of the world.  
I'm a rainbow today  
All the colors of the world.  
I'm a rainbow today  
All the colors of the world are in me.  
All the colors of the world are in me.

I am yellow today  
I shine my light out like the sun.  
I am white today  
Soft and quite like new snow.  
I am blue today  
Calm as glass and cool like the sea.

I'm a rainbow today  
All the colors of the world.  
I'm a rainbow today  
All the colors of the world.  
I'm a rainbow today  
All the colors of the world are in me.  
All the colors of the world are in me.
